DEITY

Who is Jesus? Is he a liar, a lunatic, or a legend? Many people insist that their religion is the only way, but Jesus' is the only one who makes the claim and supports it with divine approval. Since Jesus is affirmed by God, then all his teachings have divine authority. Many religions claim to show the way, but only Jesus is the way, the truth, and the life. Without Jesus, we would have no access to the Father.

Memory Verses: John 14:6; Isa. 9:6; Heb. 1:3

Key Points

- Jesus was both God and man while on earth.
- Jesus shares the same nature with God.
- Jesus' ability to perform miracles confirmed his divinity.
- If Jesus makes a claim that cannot be supported or is invalidated, then he is not God.
- All religions cannot be equally valid when Jesus claims to be the only way to God.

DISCUSSION QUESTIONS

1. Where does Jesus directly claim to be God?
2. What does the New Testament teach about Jesus' divinity?
3. How are Jesus' claims affirmed by God?
